

29 January 2008

OnCall Communications
8 Guthrie Street
Paddington
Queensland 4064

I would like to thank the team at OnCall Communications for the campaigns they ran for our 2008 CA Brumbies membership program. Our membership base is the lifeblood of the Club and together with the Brumbies team is an integral part of the Brumbies Rugby organization.

OnCall was able to swiftly secure a large number of 2007 members who hadn't responded to our traditional renewal communication methods. Their ability to effortlessly and cost effectively contact those members in the final days of the campaign exceeded our expectations.

I wouldn't hesitate to recommend the OnCall Communications service to other clubs or organisations. I look forward to working with you again next season.

Yours sincerely
